

## **DIPPER BUDDY PRODUCT WARRANTY**

The product is warranted to be free of defects in materials and workmanship under normal use and service, for a period of one year from the date of purchase. This warranty covers parts and labor, but does not cover misuse, negligence, or dealer travel time. Replacement of individual parts vs. assemblies are at the discretion of MTB MFG INC/Baumalight, the manufacturer of the product.

This product must be operated and maintained in accordance with the Operating and Maintenance Instructions supplied with this unit. The manufacturer is not liable for proper maintenance of the product. Under no circumstances will the manufacturer be liable for any consequential damage or expense of any kind, including loss of profits.

The Manufacturer's Liability is limited to repair of the product and/or replacement of parts and is given to the purchaser in lieu of all other remedies including incidental and consequential charges. There are no warranties, expressed or implied other than those specified herein. Units are to be returned at the customer's expense to the nearest Authorized Service Center for warranty service. Damage in transit is not covered by warranty. For the nearest Authorized Service Center contact the dealer or manufacturer. The work may be performed by the end user if they are a qualified mechanic, after pre-approval from the servicing dealer and/or Baumalight.

The manufacturer is under no circumstances liable for power unit damage of any kind. In addition, Baumalight will not cover time to diagnose and repair compatibility issues between the excavator and the attachment.

When receiving a shipment from the manufacturer: Compare items received with the carrier's bill of lading. Check for damage before signing for the shipment. If damage is found, note damage on carrier's bill of lading and photograph the damage and immediately contact the selling dealer.

Warranty claims must include the bill of sale to the original purchaser.
